Window Expert®

Fenestration Professionals

ABOUT US: Welcome to Window Expert Industries Pvt. Ltd. We are one of the leading manufacturer of premium uPVC & Aluminium Windows Doors in India. We started in 2004 with the manufacturing capacity of 10 windows per day. We firmly believe in perfection & that is the reason we meticulously follow all the International Standard to maintain the quality in all the parameters. CNC machines. We are proud of producing both Aluminium & uPVC window with the capacity of 150 units per day under one roof.

VISION: "To become a number one Fenestration Solutions Company in India by providing best quality & service"

MISSION: "To become preferred company for supplying premium Windows & Doors"

Mr. Sandeep Kande

- Managing Director

The company was founded in the year 2004 by Mr. Sandeep Kande. His humble beginning started from a small 500 sq. ft. workshop manufacturing aluminium sliding windows. Since 2014 company entered the uPVC windows manufacturing sector. His vision has established Window Expert as one of India's leading uPVC & Aluminium system windows manufacturers.

Mr. Navnath Kande

- Director

After 17 years of service in the Indian Army, Mr. Navnath Kande joined the company in the year 2020. His dedication & discipline have added new vigor to the team.

His organizational & resource management skills are foundational for the unparalleled customer service in the window industry.

Mr. Madhav Sanap

- Vice President

After completing his bachelor's in Mechanical Engineering, Mr. Madhav Sanap joined the company in the year 2014. His sound technical background steered the company into the new domain of system window manufacturing.

His pragmatic approach & excellent interpersonal skills are crucial factors in building exceptional organizational culture.
